Postal service

I was at home one day dreaming about my next shag when the postie knocked on the door with a parcel for me.

I answered in just a towel and signed for the parcel, then asked the postie to do me a favour before he left.

"A fuse is blown in my power shower, will you change it for me?"

He followed me into the house and I showed him where the fuse box was.

As I bent down in front of him I made sure my towel rose over my arse to expose my bum and pussy.

I glanced behind me and noticed that the postie was trying to hide an enormous hard-on.

I wiggled my bum enticingly, to let him know that he didn't have to hide it, and shivered as I felt his hands on my cheeks.

"I PRESSED BACK AGAINST HIS FACE, GRINDING MY CUNT OVER HIS MOUTH."

The postie began to kiss my arse, so I spread my legs nice and wide and his tongue soon found my pussy.

I pressed back against his face, grinding my cunt all over his mouth, and gasped when I felt his nose against my arsehole.

I spun around and ripped open his trousers, and began frantically wanking his hard cock into my open mouth.

The pre-cum trickled from his tip and I dabbed it all up with my tongue as his balls tightened in my fingers.

All at once he grabbed the back of my head and forced his cock down my throat.

He grunted once then erupted all over the back of my tongue.

There was gallons of sperm and I swallowed every drop, even the trickle that dribbled from the corner of my mouth.

I gave him five minutes to recover, but told him he wasn't going anywhere until he fucked me properly.

I laid back and played with my pussy as the postie worked himself up into a state again and well before five minutes were out he was on top of me.

The postie sucked my tits for a few seconds, then traced his tongue over my soft stomach and into my wet pussy.

He stopped very briefly, just to savour the moment, then began to lick my swollen lips and clitty until I was almost bursting with anticipation.

I couldn't take it any more and ordered him to fuck me, so he slid his rock cock into my wet pussy and drove my legs back to spear me nice and deep.

Just at that moment, the front door opened and the postie froze. I told him not to worry as it was only my husband, and me and Alan have an understanding.

When Alan walked in and saw us, he just smiled and told the postie to fuck me hard and proper.

The postie couldn't believe it and lasted only a few strokes before he groaned he was cumming.

At that moment my pussy tightened and I came just as his sticky seed was squirting inside me.

Alan was wanking furiously next to me and he shot his milky load all over my face and down my thirsty throat.

I love my husband's cum and he gasped with joy as he emptied his balls down my gulping throat.

Before he left, the postie doubled up with Alan and the pair of them fucked me at the same time.

I had one cock in my pussy, and one in my arse. I multiple-orgasmed like you wouldn't believe as my husband and this guy I hardly knew fucked me from behind.

That was some morning. I hope the rest of the street didn't mind that their post was so late. The postie himself wasn't complaining!

Helen, Colchester.

It's funny how people who aren't from London get hung up on some aspect of the city or other – like Ella here and her loony tube obsession!

"I wouldn't call it an obsession, but I've certainly had some fun down there, flashing my knickerless cunt to the odd lucky guy sitting opposite to me, for starters. That always gets me really randy – and it often ends up with me getting my ticket punched as well before the night is out!"

Ballin' Angel

One night I went out to a bar with my boyfriend. We met another couple and our story begins. It just shows what can happen if you've got the right attitude!

We started to get to know each other and me and the other guy's girl started to get to know each other. We started to dance, sensuously and erotically.

By the middle of the night we'd had a lot to drink and suddenly I felt this hand going up my skirt. Well, I didn't move because it felt so good. I learnt later her name was Sarah, but at the time it didn't matter so much as she got my cunt so wet!

I was so horny I asked this couple to come back with us. I had never really thought I was into girls, but fuck, I was into this one!

I couldn't wait to get her home and suck that pussy, enjoying the taste of that in my mouth.

When we got home we went upstairs, had a few drinks, and before I knew it, there I was, bending over in between that girl's legs, licking her pussy and fingering her cunt for all I was worth.

Then I started fucking her with a vibrator. God, we felt so horny – she was groaning with pleasure and pushing it right up her cunt in ecstasy.

She started to orgasm so hard so I put my tongue up her hole to finish her off.

We weren't finished off yet though. I wanted a foursome and so begged the fellas who had been watching and wanking to join in.

As I was bent over I felt something going up my pussy, but didn't bother to turn around because I didn't care whose cock was up me.

I started feeling like a real slut because I didn't care whose cock was buried deep in me.

A few minutes later I was getting cocked to death from behind while sucking my fella's dick while that bitch was sucking my swollen clit hard and with loads of spit running down my upper leg.

This went on for ten minutes, at the end of which I started to orgasm, seemingly without end.

Both fellas pushed me onto my back while Sarah carried on licking my bare, pink pussy.

They stuck their cocks in my mouth, slapped them against my forehead and then jacked off in my mouth.

It tasted so good I sucked every last droplet of white spunk off their big hard cocks.

Then I spat it out on their cocks and licked it off again.

For a finale, I bent over and let them stare into my deep dark anus and they spunked all over it while I fingered my by-now very wet clit and cunt hole.

The night ended and here we are hoping that some of your horny readers will join me for some slut fun. Cocks and fannies both welcome! Hope to hear from you soon!

Angel, Cornwall.

Ahoy there! Hmm, we'd certainly like to dock with Zara, and no mistake, but is she really as nautical as she is nice?

"Not really. I've been out on a pedalo a few times, but the water got a bit choppy and, well, it made me feel slightly queasy. I guess I'm just a landlubber at heart."

Hello Stranger!

Being ravished by a total stranger has always been a fantasy of mine,, but I never thought anything would come of it until I confessed my fantasy to my fiancé Iain.

Imagine my surprise when, a couple of days later, there was a knock at the door and I found myself face to face with a man in a balaclava.

Before I could say anything, he pushed me inside and pinned me against the wall.

He slammed the door shut and pulled his tracksuit bottoms down to reveal an enormously hard cock.

He pushed me to my knees and slipped his glistening prick into my mouth.

I sucked it as furiously as I could, bobbing my head to pleasure every inch of his meat.

Pre-cum began filling my mouth and he fucked my face with hard and fast thrust.

His wet cock nudged the back of my throat and I recognised his voice as he groaned with relief.

Pulling his huge hard-on from my mouth one last time, he pulled me to my feet and marched me towards the bedroom.

Still holding me by the hair, he pushed me to the bed and slipped his free hand into my panties.

He rubbed my shaven hole, teasing my clit and splaying my lips before shoving two fingers deep up inside me.

"MY PUSSY TIGHTENED AROUND HIS PRICK AND I WAS ROCKED BY A SECOND ORGASM."

My legs started to shake and he fingered my sopping cunt just the way I liked it.

His fingers slip up and down my wet slit as he pulled me out of the rest of my clothes, before straddling my face and shoving his hard cock back into my eager wet mouth.

I sucked his delicious cock and ran my tongue around his balls, as he squeezed my tits with one hand and rubbed my clit with the other.

I could feel my body tighten as my orgasm neared.

My cunt got wetter and wetter as my orgasm neared and just as I was about to cum, he pulled his prick from my mouth and thrust it into my hole.

I came all over his cock in an instant as he pinned me to the bed and fucked me

with everything he had.

My juices drenched his balls and I gasped as I felt them slap against my exposed arsehole.

He smiled when he saw this and slipped a couple of fingers into my arsehole, making me scream with delight.

My muscles tightened around his fingers as my pussy tightened around his prick and I was rocked by a second colossal orgasm.

He turned me onto my stomach and pulled my arse to his face.

He stroked his tongue between my cheeks and licked the inside of my arse, then he smeared my juices all over my ring and I knew what was coming next.

He straightened up and shoved his hard dick against it, pressing a little firmer until his cock slipped into my arse.

The moment his tip was inside, the rest of his 8in quickly followed.

His fat balls slapped again my wet cunt as he fucked me with powerful strokes.

I buried my face into the pillow and moaned as he held me from behind and drove his cock into me again and again.

He pulled his cock out and I spun around just in time to catch the full force.

He came all over my face, covering my cheeks and splashing my mouth as I licked my lips.

This triggered my third and final orgasm and I lay there creaming my thighs.

After a while, he removed his mask and smiled at me lovingly. He had clearly enjoyed the experience as much as I had!

Leigh-Anne, Scotland.

FRANKIE

Prancing about in a feather boa isn't the most obvious way to get ready for a bath, but then Frankie clearly likes to do things her own way!

"I don't think there's anything wrong with a bit of pampering – and bath time is definitely 'me' time! Sometimes I get dolled up in my sexiest lingerie before a bath, to make sure I'm feeling extra sensuous! Then I like to strip off in front of the mirror before finally lowering myself into the tub and feeling the delicious warm bubbly water lapping at my juiced-up lips!"

Sounds grand! Want anything else lapping at them as well?

JENNY

That's quite an impressive gown, Jenny – are you off to a ball or something?

"Chance would be a fine thing! I've never been to a ball, but I'd love to – all that swirling around on the dancefloor while the orchestra play a waltz in the background. It's a bit better than just going out to your local nightclub, isn't it?"

Yes, it probably would be – especially if you were looking like that. The trouble with balls, though, is that they're always so crowded. Perhaps if you could help me empty mine it might help a bit…

NIKKI & JULIE

We could be wrong here, but something tells us you two have done this sort of thing before…

"Is it that obvious?" asks Julie. "Yes, it's true – we first met at a sex party a couple of years ago, and really hit it off, so now we meet up pretty regularly, either on our own or, if either of us has a boyfriend at the time, we bring him along as well. It's a bit of an odd arrangement, but everyone's happy!"

I bet the boyfriends are, that's for sure. So is there a vacancy for the role at the moment, because if so…

"I think we're probably alright at the moment, thanks all the same."

MY FAVOURITE D

What woman wouldn't like to suck on warm, throbbing cock all day long? Unfortunately some of us blokes have to go to work. Here's what the loves get up to in our absence...

"After a day's adventures I wank with this as I remember what I've been up to."

05. Maddy, Kent

25 years old.

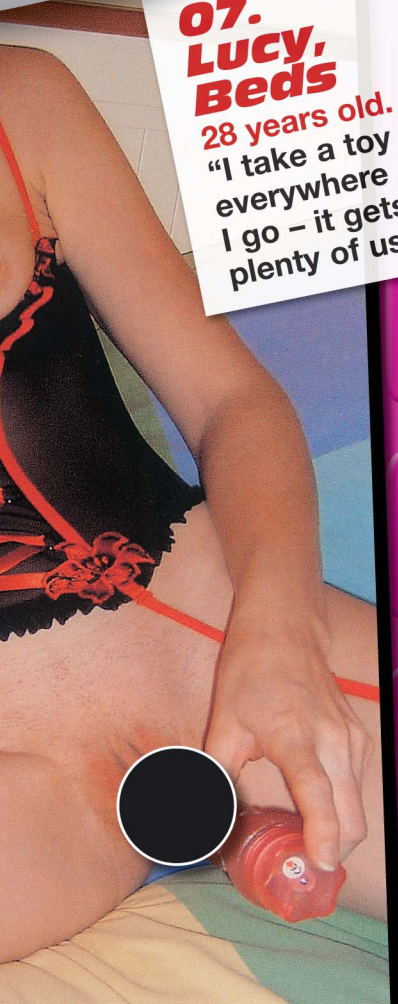
LDO



07. Lucy, Beds

28 years old.
"I take a toy everywhere I go – it gets plenty of use!"

Fawnya

Fawnya (pronounced like the end of California) has obviously got a soft spot for old school cheesecake glamour of yesteryear. In those stockings and that girdle you could imagine her painted on the side of a WWII bomber. And those pins could certainly give Betty Grable's a run for their money. As for what she's got in between her legs, we'd like to think that could put anyone through their paces!

"Ha - it is quite demanding. Reckon you could keep it satisfied?" she asks.

Well there's only one way to find out!
